

# Countdown to Our Best Summer Ever!

## When school is out we are in!

**Parents:** Our Martial Arts Super Summer Program is a fun and fascinating program that will:

### Create Unstoppable Confidence in Your Child!

From **dealing with bullies** to raising his or her hand to **confidently answer the teacher**, you will be amazed at how our program helps your child to **reach his or her potential** in a remarkably short period of time.

No other activity is as enriching for children as the martial arts in the way we teach it at our school.

Far more than fitness and self-defense, martial arts will instill within your child a strong sense of **self-worth**, **self-confidence** and the **inner-strength** to say “NO!” to peer pressure.

Make this summer count by **enrolling your child** into our Super Summer Program now.
